

## Assyrian Aid Society – Iraq (AAS-I)

### Activities Report 2004

<b>DEPARTMENT</b>	<b>Relief &amp; Aid</b>
<b>PROJECT</b>	<b>Relief program for refugees &amp; needy families</b>
<b>CURRENT PROGRESS</b>	<p>*Because of the bad security conditions in the big cities like Baghdad ,Mosul,.. Hundred of families left there homes to the north villages and towns seeking security &amp; peace, living with their mostly poor relatives and friends.</p> <p>It was our humanitarian duty to support them when they were very in need to any type of support. We prepared our self to implement a relief program to cover some basic needs of about 1000 family.</p> <p>The program included distributing food materials, blankets, fuel for heating in Sapna area, Zakho area, Barwaribala area,Dohuk city center, and Aqra area, Hazarjot, Mulabarwan, within Dohuk governorate .Bakhdaida,Baritla, alqush,Telisquf,Ainsefny, Biqopa, Jambor,Baashiqqa, and Batny within Nineveh Plain.</p> <p>It's very important to mention that our society is in continuance in this program and the number of the families is increasing.</p> <p>*Our society presents different types of aids to needy families in different areas, according to applications presented to our society.</p> <p>* Taking care with the handicapped people in Kirkuk city by providing them with wheelchairs and other needs.</p>
<b>FUNDING</b>	<p><b>Assyrian Aid Society of America AASA,</b>  <b>Assyrian Aid society-Australia AASAu,(Assyrian Democratic Organization-</b>  <b>Assyrian Federation- Assyrian Fund- Eastern Caritas) of Sweden,</b>  <b>Solidaritats groupe Tur Abdin , Evangelical Lutheran Church Stuttgart-</b>  <b>Germany, Ministry of Displacement &amp; Migration-Iraq.</b></p>

<b>DEPARTMENT</b>	<b>Health &amp; Medical Services</b>
<b>PROJECT</b>	<b>Charity clinic centers</b>
<b>CURRENT PROGRESS</b>	<p>*After Iraq liberation, it was allowed to us as humanitarian organization to work in areas that were under Saddam Regime control, like Nineveh plain villages. After implementing a relief program in this area, t was very necessary to establish charity clinic centers to introduce medical services to needy people for a long period.</p> <p>These charity clinic centers are in continue presenting their humanitarian services to needy people in Alqush, Baritla and Bahkdaida within Nineveh plain and in</p>

	<p>Sarsink, Sapna area.</p> <p>*Establishing a new charity clinic center in Telisqf.</p> <p>*Bearing or Sharing in covering the costs of treatments of some cases like kidney transplant for Dany Awia Yonatan from Baghdad by a special fund from Assyrian American council of Illinois-Chicago.</p> <p>Covering the costs of treating a woman from Musol city suffering from cancer.</p>
<b>FUNDING</b>	<b>Evangelical Lutheran church in Wurttemberg, Stuttgart- Germany, Solidarita group TurAbdin &amp;AAS America.</b>
<b>DEPARTMENT</b>	<b>Reconstruction</b>
<b>PROJECT</b>	<b>Building clinic center in Nahla area</b>
<b>CURRENT PROGRESS</b>	<p>There are seven villages in Nahla area, all they were suffering from absence of a medical center in there area, this cause many problems when they have critical cases like a patient, accident or injury, more over the roads are not paved till now. The solution was to build a special building for this purpose in Bilmend village which is in the center of Nahla area. After referring to the Ministry of Health to insure that they provide the building by the medical instrument and workers, we start in building at 28<sup>th</sup>, Apr. finishing at 25<sup>th</sup>, Nov.</p> <p>The building area is (178)m<sup>2</sup>, consist of 4 rooms (4×4)m, a store (4×3)m with bathrooms.</p>
<b>FUNDING</b>	<b>Health Care Partnerships-Duhok (HCP)</b>
<b>PROJECT</b>	<b>Sewerage channels in Alqush town</b>
<b>CURRENT PROGRESS</b>	<p>The town suffers from a problem for several years, the sewerage and rains water flooding the streets, the solution was to lay pipe lines to transfer the water out of the town.</p> <p>The work started at 25<sup>th</sup>, Feb. The project includes, laying concrete pipe lines of 350m length. Constructing eight concrete septic tanks of (2× 2×2)m.</p> <p>Cleaning the main channel from debris using excavator for 1500m length.</p> <p>Perform a regular concrete channel in high discharging of 200m length.</p> <p>Providing regular concrete passage in different dimensions in width of 3-5m.</p> <p>Constructing a road of 100m length 7m width.</p>
<b>FUNDING</b>	<b>Evangelical Lutheran church in Wurttemberg, Stuttgart- Germany Department for Missions-Ecumenical Relations &amp; Church Development Services.</b>
